

ACT (Area Children's Theatre) is a non-profit organization supported through a GAP grant by the Greater Augusta Arts Council, which is funded by the State of Georgia, by the ARTS Council of Warren County and by Hometown Warrenton, Inc.. Your physical and monetary support are the essential ingredients, though. We thank you for coming to our presentation tonight. We hope that you enjoyed the show and that you will support and enjoy future presentations by ACT.

**Thank you!**

ACT VI is slated to begin a mystery in the fall, which we hope to present before the Christmas holidays. We will hold auditions for upcoming shows, and we are seeking children 8 years old and older to play in the cast and to work in the crew. If you or your child/grandchild are interested in participating, please leave your name, phone number, and email address with Cindy Rivers. She will contact you when plans are more solid.

**From the Director.....**

*I want to thank the parents for allowing the children to "Be a part of the ACT". We have had a great time this year learning the songs, learning the lines, and learning patience.*

*I especially want to thank the kids, or rather, young adults, as some of them are now, for playing their parts, either onstage, backstage, or in the lighting booth. You guys are the greatest and make my day!*

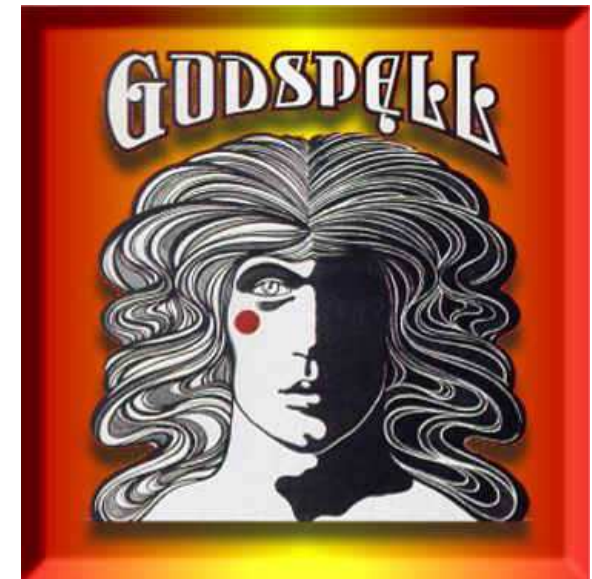

**Cindy Rivers**

We wish to thank the Warren County High School, Dr. Bishop and staff for allowing us to use this facility for our rehearsals and performances. We would also like to thank Mr. Jeff Schlichter for setting up our sound, the City of Warrenton and Mayor Mimbs for allowing us to use the Warrenton Cultural Center for extra rehearsals, and the Warren Co. Board of Commissioners and Chairman John Graham for having our sets moved.

Thanks to our sponsors also:

and **you!**
