## MEET THE DIRECTOR & kittens & bomb!

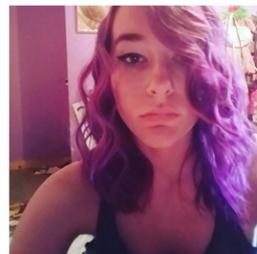

**Emily Kirkland** I am a lover of all sorts of spooky stories, from Scooby-Doo, to Frankenstein, to Edgar Allen Poe. Once when I was younger, I thought boiling point was 112 degrees Fahrenheit instead of 212 degrees Fahrenheit. Dad offhandedly mentioned that it would be 110 degrees that day, so I sat inside convinced that the end of the world was approaching- it would reach boiling point and all the oceans would dry up and everyone would just die. That was a fun day. Other frightening moments in my life include the first time I stood on this stage, and preparing for college. And just like with ACT, I'm sure this initial fright will lead to will lead to amazing experiences and opportunities in the future as I pursue a degree in Music Education. I have been extremely blessed during this play. The support I received from Ms. Cindy and Jeffrey and the entire cast has been so overwhelming. I'm so thankful for all of you who came to see this production, and I hope you enjoy the show!

## MEET THE ASSISTANT DIRECTOR & the "Good" Doctor Evil

**Sarah Letteer** Scariest thing that ever happened to Sarah was that one time she lost her phone in another state. She is a sophomore attending Agnes Scott College, and she has been in ACT for what she says is "Too Long for her to recall". (since 2007) This will be her final show, and she looks forward to new chapters in her life.

## MEET THE STAGE MANAGER & Gothma & Mother

**Liz Wilkerson** Sadly this is Liz's last play that she plans to be in, though she has been a part of ACT since 2011. You usually see her behind the scenes only if she does her job incorrectly. She attends Augusta Tech with plans to get her Business Administration degree by 2021. The scariest thing that had happened to her is when she got into an accident with a huge yellow school bus. She still will not drive while they are out. She leaves early for school so she isn't on the road with one.

**Shannon Bentley** (Shirley) is 21 years old and has been involved in ACT for 11 years (22 plays: I-XVIII), including all the ACT sr productions. She also directed ACT sr. 2016, The Somewhat True Tale of Robin Hood by Mary Lynn Dobson. Her favorite spooky stories range from the classic horrors, (Edgar Allan Poe, Dracula, Frankenstein, Dr. Jekyll and Mr. Hyde,) to the more modern or comedic, (Scooby-Doo, The Adam's Family, The Nightmare Before Christmas.)

**KKay Brown** (Sylva Were, Annie Were) is formally called Lakashalyn, is 16 & in the 11th grade. New to ACT! Her favorite horror movie is The Conjuring . She loves to watch horror movies mostly because of the thrill & excitement. Even though she knows she won't sleep after watching horror, she does it anyway!

**Lorna Condon** (Inferna) is 16 years old and New to ACT! This is her third play ever. She is playing the evil vampire mother named Inferna. As a child she used to read Nancy Drew mystery stories which were sometimes creepy and she was also terrified of the Disney film The Black Cauldron.

**Madison Dawson** (Mummy, Weather Announcer, and Mama Were) is 12 years old but will be 13 on August 28th. She will be going into eighth grade at Thomson Middle School. She loves to watch Scooby-Doo, in fact, her favorite horror movie is Scooby-Doo: Zombie Island.

**Merritt Helton** (Archduchess Arsenica) is 14 years old. Her favorite color is red and this is her second time in ACT. She says that the most frightening thing to happen to her is standing on this stage in front of a lot of people. Yikes!

**Peyton Helton** (Mary Shelley) is 17, a high school senior, and a huge fan of all things Victorian. This is her 5th production in ACT and her 2nd ACT Senior. Her favorite horror story is "The Phantom of the Opera" by Gaston Leroux.

**Lily Johnson** (Child) just turned 7 years old. New to ACT! She is a big ball of energy and love, love, love cats!!! Her favorite scary movie is ParaNorman. The scariest moments in her life are when she thinks that she can handle any type of roller coaster, but finds out pretty soon after that she cannot...

**Laura Lane McMichael** (Margo) Tonight she will be a witch in the play. She's 9 years old, and attends school at Briarwood Academy. LaLa will be entering the fourth grade. She says, "I hope I do good tonight. Hope you enjoy the show. Thank you!"

**Danny Roush** (Lord Warhammer) is 18 years old, He lives on a horse farm and has been in ACT since his freshman year of high school. His favorite horror story that would be considered "classic" is *The Raven* by Edgar Allen Poe.

**Audrey Sprinkle** (Pierce) This is Audrey's like one millionth production. In case you were wondering, one of the most frightening moments of her life was when she was four and asked her father if spiders could see in the dark, to which he responded "I don't know. Probably." This was the wrong response. Audrey stayed up all that night, terrified and waiting to be ambushed.

**Adam Stone** (Dr. Victor Frankenstein & Papa Tuppa) Adam has performed in 9 plays with ACT, including this one. He and his brother Jacob and sister Kaitlyn joined ACT for Little Women in 2014.

**Kaitlyn Stone** (Unna Were) is 15 years old and she likes to ride her horse and feed her rabbits. One of the most frightening things that has happened to her is when she got pulled into the current of a river when she tried to swim across.

**Tori Wilkerson** (Vladi & Frank, Jr) is 16 years old. She's not really a big fan of horror, and the most frightening thing that every happened to her was one Christmas morning when she woke up and opened her eyes to see her sister Liz leaning over her and whispering "hi."
