For you adults wishing to be onstage.....

### *Warrenton Players*

We are casting at present for a radio-style production of "*The Invisible Man*". If you would be interested in auditioning for a part, please contact Cindy Rivers at 706.465.3794 or email: [muffinrivers@yahoo.com](mailto:muffinrivers@yahoo.com). We are hoping to be able to perform this play on a First Saturday or other evening in the summer. Because it is done in radio-style, we will only require two-three rehearsals. If you are familiar with *Prairie Home Companion*, that is the type of show we are going for here.....musical entertainment, a radio-style play and comic relief. We need 4 women, 7 men, 1 either, and a soundmaster to produce sound effects.
